

A close-up photograph of a mosaic tile surface. The tiles are rectangular and arranged in a staggered pattern. They have a light beige or cream color with a subtle, mottled texture. The edges of the tiles are slightly raised, creating a three-dimensional effect. The lighting is soft, highlighting the texture and the arrangement of the tiles.

STRIP SHAPED MOSAIC TILE

Perfectly Refresh Your Interiors

(Premium Glazed Black)

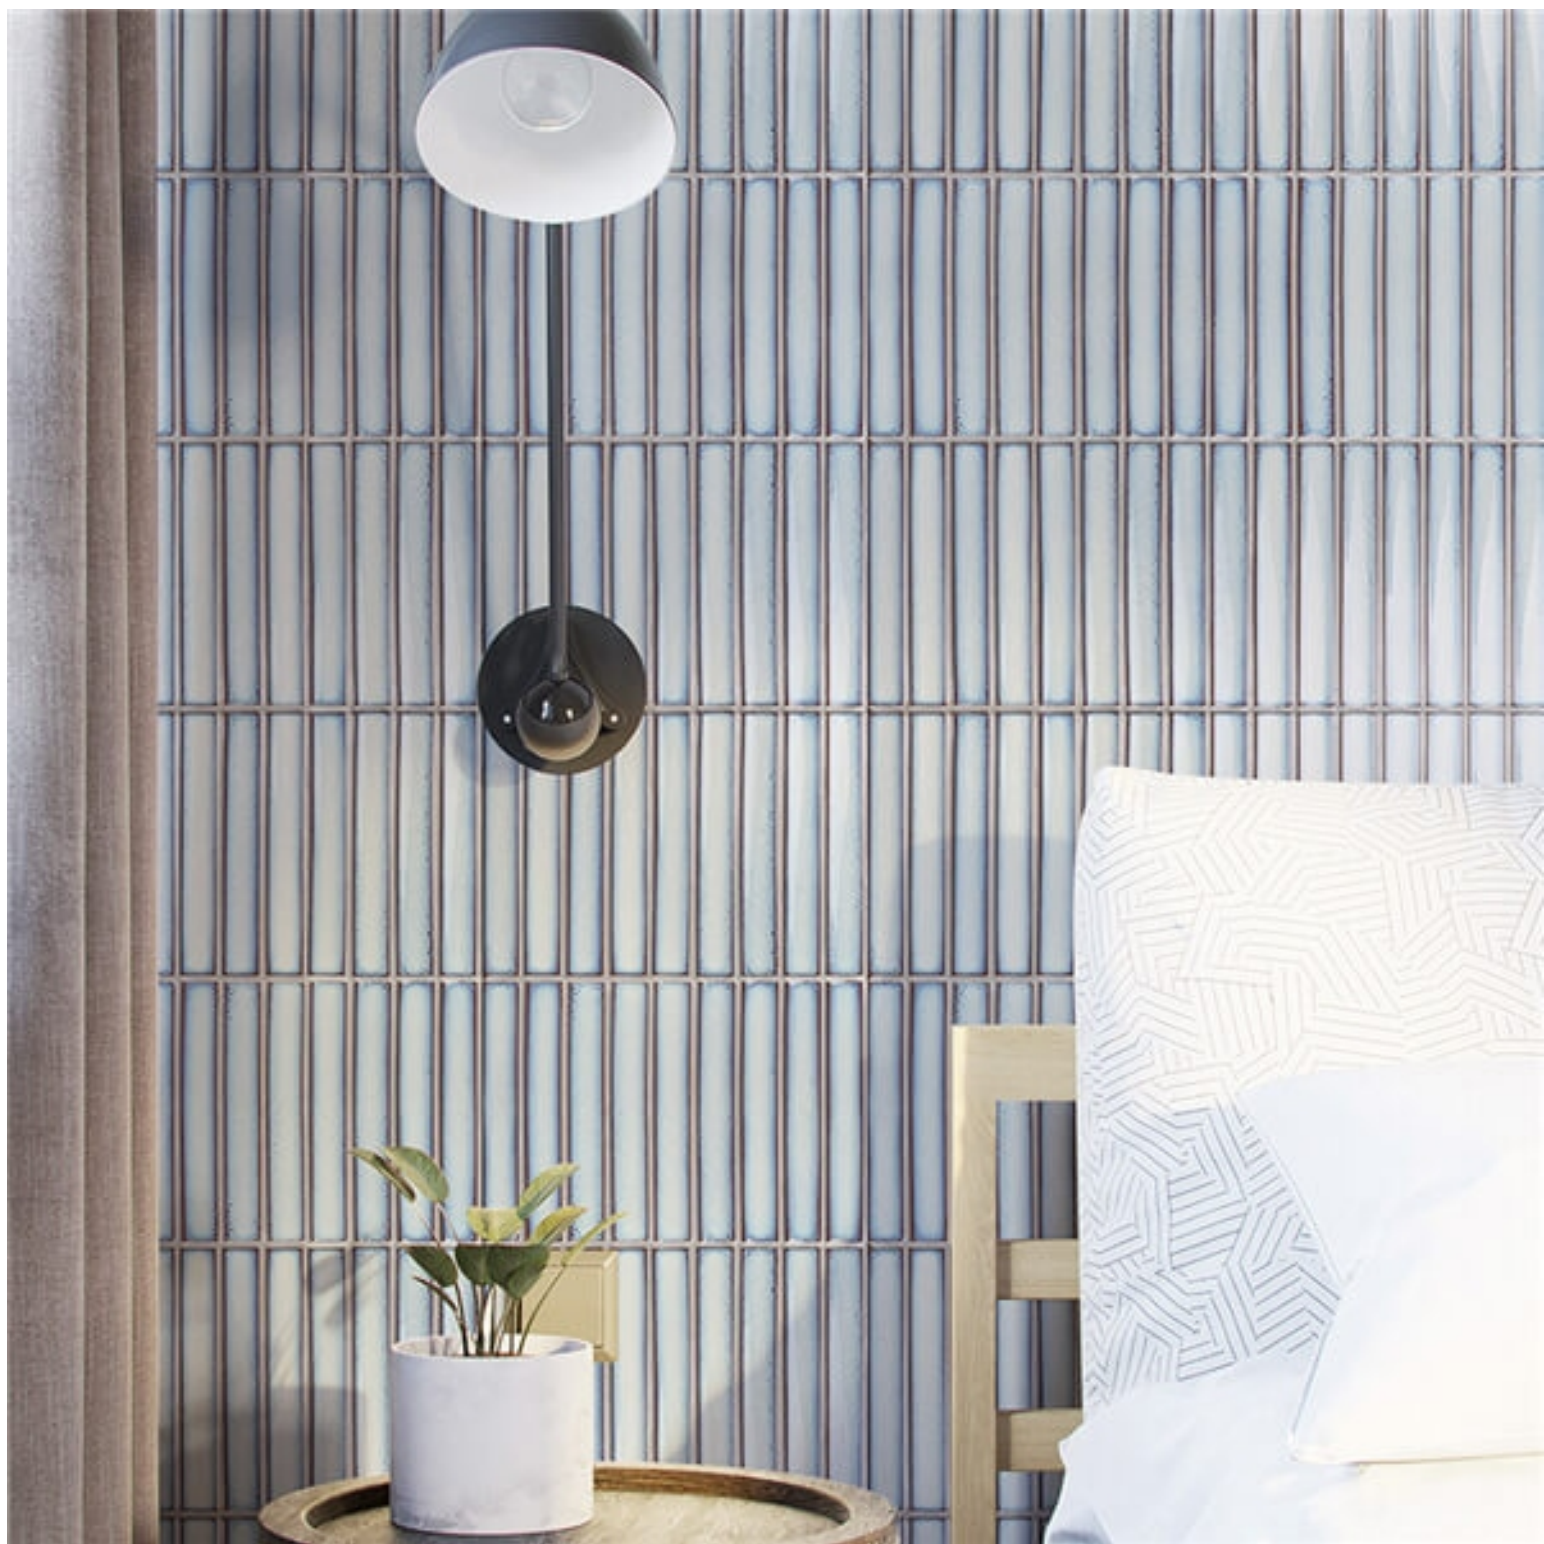

(Premium Glazed White)

(Premium Glazed Grey)

(Premium Glazed Mint)

Strip crisp white

Strip Turquoise Green

Mini strips paved in stackbond way is the highlight to this decorative wall tile. Inspite of it Mysterious green colour & the antique fambe effect exert a great impact on the vitage appearance.
